I. INFILL REDEVELOPMENT VISION

The OKLAHOMA CITY URBAN RENEWAL AUTHORITY (“OCURA”) invites the submission of written proposals from prospective homeowners for the purchase and construction of a residential home (single-family homes, duplexes, condominiums, townhomes or similar small-scale residential project) on OCURA owned lots located in the John F. Kennedy (JFK) and Northeast Renaissance (NER) Urban Renewal project areas. OCURA owns many vacant and scattered residential lots in this area and is seeking to reestablish owner occupancy in the neighborhood with well-designed, infill homes. OCURA may require the replatting of lots to achieve good site planning.

The lots related to this RFP are within the boundaries depicted in Exhibit 1 below.

Exhibit 1: JFK and NER Boundaries for Lots

Available residential lots corresponding to this RFP can be viewed online at <https://www.ocura-ok.org/land-inventory>. The available residential lots are depicted in yellow and are identified in the property legend as “OCURA Vacant Residential Property.”

II. REDEVELOPMENT POLICIES AND REGULATORY DOCUMENTS

OCURA has established the following policies related to the sale of lots:

1. Owner occupancy required. The sale of lots is intended to promote owner occupancy. Prospective buyers must agree to occupy the home upon completion of construction. Construction of a duplex or similar multi-unit housing will be considered as long as one of the units is owner-occupied.
2. Oklahoma City Urban Renewal Authority Residential Design Standards. Design review and plan approval will be required for all residential homes. In March 2015, OCURA adopted revised residential design and site planning standards for the area. These standards will be used to review home plans and site features such as setbacks, garage orientation, fencing, walls and so forth. (Design review typically requires that the Redeveloper¹ retain the services of an architect or other qualified design or construction professional to assist with home design, lot layout and City of Oklahoma City building permit processing.) A link to the residential design and site planning standards can be found [here](#) or on OCURA’s web site at www.ocura-ok.org/rfps.
3. City of Oklahoma City Zoning. Proposals must be consistent with City zoning and other development standards. OCURA will consider supporting a variance application if the variance is in the best interest for redevelopment of a site.

III. SUBMITTAL REQUIREMENTS

Proposals must be submitted to OCURA and include all of the following:

A. LOT IDENTIFICATION

Redevelopers must identify the OCURA lot(s) they are proposing on. State the type of home(s) (single-family, duplex, etc.) to be built and the anticipated square footage of the home(s).

B. HOME PLAN CONFORMANCE WITH RESIDENTIAL DESIGN AND SITE PLANNING STANDARDS

Redevelopers must sign Form 3 in Exhibit A acknowledging their understanding of OCURA’s residential design and site planning standards referenced previously in this RFP. Home plans **do not** have to be presented with this submittal; however **do** identify

¹ Throughout this document, a prospective homeowner is referred to as the “Redeveloper”.

the architectural category intended for each proposed lot based on the Residential Design Standards.

Upon proposal approval and once a redevelopment agreement is executed, OCURA will request the following be submitted:

- Construction Budget
- Site Plan/Floor Plan
- Elevations
- Landscaping Plan
- Specifications for Materials, Doors, Windows and Garage Doors

OCURA will conduct design review on the plans and specifications to ensure conformance. Design approval must be granted from OCURA as a condition to proceed to closing.

C. REDEVELOPER FINANCIAL, DESIGN AND CONSTRUCTION ABILITY TO BUILD THE HOME

Please provide the following:

1. Pre-approval letter from a financial institution committing to finance construction of the home(s). (Evidence of Financing will be confirmed prior to the sale of any lot(s).)
2. Name of architect or design professional who will be assisting with design of the home(s).
3. Name of Contractor/Builder who will be constructing the home(s).
4. Provide the anticipated value of the home(s) to be constructed.

D. TIMEFRAME TO COMPLETE

Provide the timeframe to commence and complete construction of the home(s).

If necessary, OCURA will negotiate timeframes to commence and complete the project. It is not the intent of OCURA to sell lots for land banking by a Redeveloper.

E. EXHIBIT A FORMS

The Redeveloper must sign Forms 1-3 in Exhibit A of this RFP.

F. APPLICATION FEE

Proposals must include a non-refundable application fee of \$100 per lot in the form of bank certified check. Unsuccessful proposals will not have this fee returned.

IV. CRITERIA AND TIMELINE

A. REVIEW OF PROPOSALS

After receipt of proposals, the submissions will be reviewed for completeness by OCURA staff based upon, but not limited to, the following criteria:

1. Identification of architect/design professional and contactor/builder that will be assisting in the process.
2. Evidence of Financing and other information submitted with the proposal to carry out this project.
3. Identification of lot(s), home-type, anticipated square footage of the home and anticipated value of the home to be constructed.
4. Ability of the Redeveloper to initiate the development process within a reasonable timeframe after execution of the redevelopment agreement and to complete the project in a timeline satisfactory to OCURA.
5. Appropriateness of proposed architectural category for proposed lot(s) in accordance with the OCURA Residential Design Standards. (Design plans will need to be approved after a redevelopment agreement is in place but prior to the sale of any lots.)
6. Execution of Forms 1-3 in Exhibit A.
7. A non-refundable application fee of \$100 per lot.

Reviews and evaluations by staff of OCURA and other consultants, public or private organizations or committees requested by the Urban Renewal Authority Board of Commissioners will be advisory only. The level of consideration and weight to be given to any review will be determined by the Board of Commissioners, and the Board of Commissioners reserves complete and final authority for actions and approvals in connection with the selection process.

B. OCURA'S RIGHT

OCURA reserves the unconditional right, at its sole discretion, to reject any or all proposals submitted for any reason or no reason. OCURA may, at its discretion, waive any informalities, minor defects, or technical inaccuracies in the proposal. OCURA reserves the right to request and obtain any additional information necessary to complete evaluation of the proposal.

C. REDEVELOPER DESIGNATION

Upon review and evaluation of the redevelopment proposal or following negotiations with a prospective Redeveloper, the OCURA Board of Commissioners may grant a proposer a Redeveloper designation. This designation will be under such terms and conditions as the Board deems appropriate. A Redeveloper designation will confer no

legal rights upon the prospective Redeveloper other than the opportunity to negotiate terms of a redevelopment agreement with OCURA.

D. PREPARATION AND APPROVAL OF REDEVELOPMENT AGREEMENTS

The final phase of the selection process will consist of negotiations to outline the terms and conditions of a redevelopment agreement. Site conveyance will be provided by a Special Warranty Deed, subject to such restrictions as required by OCURA. Disposition (sale of the lot) must take place at or above “fair value” as required by Oklahoma Law.

E. OTHER

All lot sales are subject to surveys, title examinations, environmental assessments, and/or engineering studies as determined relevant by OCURA. The Redeveloper will be responsible for some or all of the costs associated with such activities. Additionally, if it is determined that certain actions are necessary to make the lot developable, the costs for such actions will be described in the redevelopment agreement and considered in the determination of the purchase price of the property. If unable to reach an agreement, OCURA may choose not to sell the lot.

Almost all "records", as that term is defined in the Act, may be disclosed to the public upon request. Except where specific state or federal statutes create an exception or confidential privilege, persons or entities who submit information to public bodies have no right to keep this information from public access, nor is there any reasonable expectation that this information will be kept from public access.
